PONTIN'S PREMIER POINTS

We welcome Sheffield Wednesday to Burnden Park this evening for what is their first game of the new season. Last term Bolton completed the double over the 'Owls' but both Clubs managed to qualify for the new Premier Division.

The Wanderers Reserves kicked off their 1996/97 Pontin's Premier League Season with a well earned point from a 1-1 draw at Everton last Thursday evening.

Trailing at the interval to a goal from Michael Branch, the Wanderers hit back to level on the hour when Fabian deFreitas played in Scott Taylor who ran through to lob the ball over oncoming keeper Paul Gerrard.

The Wanderers are at home again next Wednesday, September 4th, when Oldham Athletic are the visitors to Burnden Park. They kicked off their campaign with a 3-1 home defeat at the hands of Champions Manchester United and on Bank Holiday Monday drew 1-1 at Liverpool.
